

LuckyDino

A simply lucky casino for players who wish to concentrate on the essential: playing and winning! No frills, no gimmicks, just the best possible gaming experience on any device. LuckyDino is designed to appeal to both those new to online gambling as well as those, who seek a casino with a straightforward approach to gaming.

Welcome with Free Spins, but that's not all!

As a welcome gift players get 7 Free Spins to the NetEnt game Lights after registration. This allows players to try the casino out before making deposits – and also gives them a chance to directly enjoy their winnings, as all LuckyDino Free Spin winnings are always free of wager requirements!

In addition to the no-deposit Free Spins, the welcome offer continues with the player's first and second deposits. On the first deposit LuckyDino pays a generous 100% bonus up to €200. On the day following the deposit, the also player gets 50 Free Spins to the popular NetEnt slot Copy Cats.

On the second deposit the player gets a 50% bonus up to €200 and as per the first deposit, on the next day the player's account is credited with 50 Free Spins – this time on NetEnt's Twin Spin slot.

Actively engaging the players

We at LuckyDino believe being active towards our customers is a great way to enhance their gaming experience and to keep them engaged. Therefore we approach our players regularly regarding offers, bonuses, game launches and special events. An example of our typical communication is a Free Spin offer on the launch day of a new game – this we have found a great way to boost the new games' visibility and build their popularity.

The communication and offers are tailored based on player profiles. Naturally all the communication is provided with the language relevant to the player.

Amazing game selection from all the best providers

LuckyDino's game lobby hosts games from all the biggest names of the industry added with up and coming game developers. Game providers include Play'n GO, NetEnt, Microgaming, Just For the Win, Rabcat, 1x2 Gaming, Williams Interactive, Bally, Shuffle Master, Pragmatic Play, Yggdrasil, Thunderkick, Red Tiger, Lotto Warehouse, Booming Games, Synot Games, Evolution Gaming, BF Games, Gamomat, Kalamba, Oryx, Golden Hero and GIVEME among others.

As it's obvious with such a wide range of game providers, the game selection is extensive. In total there are more than 1,000 games to choose from, which ensures every player can find their own favourites at LuckyDino.

As per today's player preferences, most of the game selection consists of slots, but LuckyDino also offers an extensive selection to players, who enjoy Jackpot games, classic table games and Live Casino gaming. The games are divided in categories in the simple and easy to use game lobby. Players can also use the lobby's reactive and quick search function to find their preferred games.

Simply fun experience

In order to give the players the best possible casino experience, especially in LuckyDino's straightforward context, great care has been placed in the development of the casino platform. The aim is to ensure fluent operation regardless of the device. LuckyDino scales down seamlessly to whatever device the player is using, providing similarly splendid casino experience. All the functionalities of the website are available on any device and most of the games are playable also with mobile devices, which means simple and straightforward gaming is available at the player's fingertips at all times.
